

SCHEDULE NOW

VACUUM SERVICE & REPAIR

SERVICE PROVIDED

We repair all types of Vacuum Pumps:
Oil Vacuum Pump, Liquid Vacuum Pump,
Vacuum pumps and Vacuum Compressors.
Along with Blowers and Waste Collection
Systems.

REPAIR CENTRE

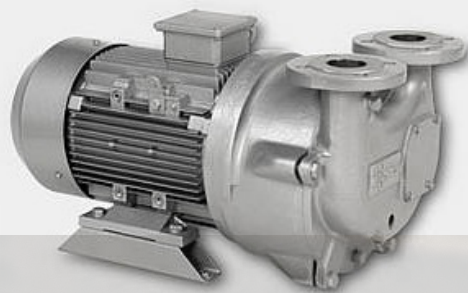

We are well prepared to handle a
wide range of repairs.

Our repairs centre is fully equipped
with modern test machinery coupled
with designated machining and
product-based rebuild cells.

Our service technicians are highly
trained and dedicated to ensure
premier customer service.

- Expertly trained and experienced technicians.
- Fixed price quotes for repairs.
(after strip and inspect has been completed)
- Flexible repair options.
- Service most all component manufacturers.
- Engineering capabilities to redesign or improve cylinder performance.
- Stringent quality control procedures.
- In house performance testing capabilities of all brands of components.
- All repairs are backed by warranty.

At Torque Industries we know
dependability and reliability
are critical.

We stock a huge range of
the highest quality parts and
components.
